### SEVENTEENTH SUNDAY IN ORDINARY TIME – YEAR B

**A reading from the holy Gospel according to John (6:1-15)**

*He distributed to those who were seated as much as they wanted.*

Jesus went off to the other side of the Sea of Galilee – or of Tiberias – and a large crowd followed him, impressed by the signs he gave by curing the sick. Jesus climbed the hillside, and sat down there with his disciples. It was shortly before the Jewish feast of Passover.

Looking up, Jesus saw the crowds approaching and said to Philip, ‘Where can we buy some bread for these people to eat?’ He only said this to test Philip; he himself knew exactly what he was going to do. Philip answered, ‘Two hundred denarii would only buy enough to give them a small piece each.’ One of his disciples, Andrew, Simon Peter’s brother, said, ‘There is a small boy here with five barley loaves and two fish; but what is that between so many?’ Jesus said to them, ‘Make the people sit down.’ There was plenty of grass there, and as many as five thousand men sat down. Then Jesus took the loaves, gave thanks and gave them out to all who were sitting ready; he then did the same with the fish, giving out as much as was wanted. When they had eaten enough he said to the disciples, ‘Pick up the pieces left over, so that nothing gets wasted.’ So they picked them up, and filled twelve hampers with scraps left over from the meal of five barley loaves. The people, seeing this sign that he had given, said, ‘This really is the prophet who is to come into the world.’ Jesus, who could see they were about to come and take him by force and make him king, escaped back to the hills by himself.

Dear Holy Eucharist Community,

Welcome back! I hope you all enjoyed a peaceful and restful break with your family. This term, we look forward to many exciting events and activities, including our Preps celebrating 100 Days of School, the Year 3 students receiving the Sacrament of Reconciliation, the Year 3-6 Swimming program, the Years 3-6 Athletics Carnival, our Book Week celebrations and Dress Up Parade and Professional Learning Opportunities for our staff.

I would like to take this opportunity to thank all our parents/carers and interpreters for attending our Parent/Teacher Interviews last week. It was wonderful to see parents/carers communicating with their child’s teacher. Your presence and engagement in these meetings are invaluable to the success of our students’ academic journey. We managed to secure 19 interpreters to assist the teachers and families during the Parent/Teacher Interviews. It was great to hear the positive feedback about the interviews from the staff, parents/carers, and interpreters.

This term, we have five new staff members joining our school. We welcome Mrs. Sarah Xuereb, Ms. Menka Dave, and Mrs. Julia Vieira, our new Learning Support Officers. We also welcome Ms. Charmaine Briggs, our new Literacy Intervention Teacher. We extend our best wishes to our new staff members and wish Miss Chloe Goggi all the best in her new role overseas.

After almost two months since the Opening and Blessing of our new building, we have finally received the Certificate of Occupancy. The Year 4s and Year 5s moved into the Catherine McAuley Learning Centre last week and are settling into this magnificent space.

Finally, just a reminder that we have a school closure day on Friday 2<sup>nd</sup> August 2024. The staff will be participating in professional learning on the Science of Learning, which is an important component of the MACS 2030 Vision for Instruction and therefore the school will be closed.

Wishing you a wonderful weekend. God Bless!

*Michael Bonnici*

## SCHOOL CLOSURE DAY ON FRIDAY 2<sup>nd</sup> AUGUST 2024

Holy Eucharist Staff will be participating in professional learning about the Science of Learning on **Friday 2<sup>nd</sup> August 2024**. Therefore, the **school will be closed on this day**.

# SCHOOL CLOSURE

### STAFF CAR PARK

There have been a few parents who have been stopping across the staff car park entrance driveway on Chedgedy drive to drop off and pick up their children. This is not acceptable as it prevents staff from entering and exiting the car park to attend their workplace. Parents are asked to keep the driveway clear at all times. It has also been reported to me that some parents are using the car park driveway to make a 3-point turn. This is very dangerous as the driveway is on a corner and these turns cause disruption to the flow of traffic on Elm St too.

**STAFF PARKING ONLY**

I ask that you are considerate of the needs of others and work with me to keep our school community safe.

### CONGRATULATIONS FR PATRICK CORBETT CSsR

A big congratulations to Fr Patrick Corbett who celebrated his 90<sup>th</sup> birthday last week. Our Year 6s attended the special mass last Friday to mark the occasion. After mass, the students and the parishioners sang "Happy Birthday" in the foyer of the church as Fr Patrick cut the birthday cake.

Fr Patrick will be retiring and moving to Sydney to be with his family at the end of August. His last mass at Holy Eucharist will be on the weekend of the 24 -25 August. We thank Fr Patrick supporting us over the past 7 years and wish him all the best.

### SWIMMING

Our Year 3, 4, 5, and 6 students are currently participating in swimming lessons. This year, swimming sessions are held at **Keilor East Leisure Centre** on consecutive Fridays. The remaining dates are as follows:

- **Friday, 26 July**
- **Friday, 9 August**
- **Friday, 16 August**

**Please note:** Parents and carers are not permitted in change rooms, There is **no swimming on Friday, 2 August**, as it is a school closure day.

### NAPLAN REPORTS

Last week, our Year 3s and Year 5s received their 2024 NAPLAN reports. From 2023, new standards were introduced to NAPLAN reporting. This reporting replaces the previous numerical NAPLAN reporting bands and national minimum standards. Education ministers agreed 2023 was the right time to introduce this change alongside moving NAPLAN to March. Proficiency standards provide clear information on student achievement. They are set at a challenging but reasonable level expected for the child at the time of NAPLAN testing, based mainly on what has been taught in previous years of schooling.

There are 4 proficiency levels:

- **Exceeding:** The student's result exceeds expectations at the time of testing.
- **Strong:** The student's result meets challenging but reasonable expectations at the time of testing.
- **Developing:** The student's result indicates that they are working towards expectations at the time of testing.
- **Needs additional support:** The student's result indicates that they are not achieving the learning outcomes expected at the time of testing. They are likely to need additional support to progress satisfactorily.

NATIONAL ASSESSMENT PROGRAM  
Literacy and Numeracy

### YEAR 6 TO YEAR 7 TRANSITION

Each year, the Department of Education releases Year 6 to Year 7 placement information for schools and for parents/carers. Parents and carers should have received the placement pack for government schools which includes the current application for Year 7 placement form. To ensure all Year 6 students are placed in a secondary school for Year 7 parents/carers will need to complete these forms and return to school without delay. Parents will receive notification of their child's Year 7 placement in a government secondary school on Wednesday 17 July 2024.

**Please note, that Year 7 Catholic Secondary School enrolments close 16<sup>th</sup> August 2024.**

### BREAKFAST CLUB

As of next week, Holy Eucharist School, Breakfast Club will be operating in the new **Catherine McAuley Learning Centre**. Breakfast club will operate from **Monday to Friday from 8.30am until 8.45am**. Breakfast will be provided for all of our students who may not have had breakfast before coming to school. Breakfast consists of toast with butter and/or jam or vegemite. All students are welcome.

### LOST PROPERTY ITEMS

We have accumulated a number of lost property items at the office that are not labelled with names. This includes jackets, jumpers, beanies, water bottles and lunch boxes.

We kindly remind you to ensure that your child's name is clearly labelled on all items. Often, we find articles of clothing with names that are so faded they are hard to read, making it difficult to return them to their owners. Thank you for your cooperation in helping us keep track of our students' belongings.

## HEALTH DEPARTMENT ALERT – INCREASING WHOOPING COUGH CASES (PERTUSSIS)

The Victorian Health Department recently issued a public notice in relation to an increasing number of cases of whooping cough (pertussis) in Victoria, particularly among children aged 10-12.

Pertussis is a highly contagious respiratory illness known for causing a cough, and can lead to life threatening infections in babies. Many babies who get pertussis catch it from older children and adults who might not even know they are infected.

Pertussis usually begins with cold-like symptoms, such as a dry cough (occurring in bouts), characteristic 'whooping' sound when breathing in, tiredness, runny nose, and low-grade fever.

Please speak to your doctor (GP) and seek a diagnosis if your child is exhibiting any of these symptoms. Early identification and separation are crucial in preventing the spread to other children.

Pertussis is mostly spread to other people by droplets from coughing or sneezing, so good hygiene practices and immunisations help prevent the spread. Immunisations are particularly important for infants and pregnant women.

If pertussis is diagnosed, your GP will advise on appropriate treatments. If you have any questions, please speak to your GP.

Read the full alert here: <https://www.health.vic.gov.au/health-advisories/increasing-pertussis-whooping-cough-cases-in-victoria>

For diagnosed cases:

- The treating doctor can provide specific advice in relation to exclusion periods from school, and can verify when exclusion periods can be ended.
- Children diagnosed with pertussis to be exclude from primary schools and children's services for a minimum period of 21 days after the onset of cough, or until they have completed 5 days of a course of antibiotic treatment.
- The treating doctor will complete the required notifications to the Department of Health
- Schools should notify MACS via the report form on CEVN or at [ohs@macs.vic.edu.au](mailto:ohs@macs.vic.edu.au)

For contacts of diagnosed cases:

- The exclusion requirement only applies to contacts who meet all three of these criteria:
  - aged less than 7 years;
  - in the same room as the child with the diagnosed case; and
  - have not received three effective doses of pertussis vaccine
- Children meeting these criteria should be excluded for 14 days after the last exposure to the infectious case, or until they have taken 5 days of a course of effective antibiotic treatment.

## PREP ENROLMENTS FOR 2025 - NOW OPEN

**Enrolments are still open for 2025.**

Children commencing Prep next year must be 5 years of age by 30<sup>th</sup> April 2025. We already have a number of applications for next year and we have already begun interviewing families.

It is really important that our current families also register their child/children at the office if they wish to enrol them for Grade Prep in 2025.

Tours of the school are now taking place after school. Please contact the office to make a booking.

## NEWS FROM THE RELIGIOUS EDUCATION LEADER

Dear Community,

Welcome to Term 3 at Holy Eucharist School. This term, in Religious Education classes, the students across all levels of the school will be investigating the wonders of God's magnificent Creation and exploring ways in which they can be Stewards of that Creation. Some Grades will deepen their understanding by researching ways that they can take up Pope Francis' call to care for Our Common Home.

During Term 3 the Grade 3 students will also explore the Sacrament of Penance and many students will make their First Reconciliation. This will be the first of 3 sacraments that they will participate in during their primary school years. Please keep our candidates in your prayers as they deepen their faith and strengthen their relationship with our great God.

**Please take note of the key dates/times for the Sacrament of Reconciliation:**

<b>Family Faith and Information Evening</b> - candidates attend with their parents/guardians.	Tuesday 30th July at 6.30pm (School Hall)
<b>The Sacrament of Reconciliation</b> - candidates attend with their families. Neat attire is required for this occasion.	Tuesday 27th August at 6.30pm (to be seated by 6.20pm in Holy Eucharist Parish Church)

Finally, I would like to inform/remind you about 2 important Feast Days occurring this Term:

- The Feast day of Australia's first saint, St Mary of the Cross MacKillop which is celebrated on Thursday August 8th
- The Feast of the Assumption of our Blessed Mother Mary on Thursday August 15th

## NUMERACY - AUSTRALIAN MATHEMATICS COMPETITION (AMC)

Once again, this year, students in Grades 3-6 (only) have the opportunity to participate in the Australian Mathematics Competition (AMC). Consent forms for the competition will be sent home. The forms need to be returned no later than July 29th to ensure registration. This is not a compulsory competition, students choose if they would like to participate and should only return the form if they are committed to competing.

The AMC is an engaging and challenging 30-problem competition that demonstrates the importance and relevance of mathematics in students' everyday lives; it is open to students in years 3 to 12.

Australia's leading educators and academics, with a deep understanding of our national curriculum standards, actively design the unique AMC problems each year.

The competition will take place online between August 6-8, and will be conducted during school hours.

To prepare for the competition at home there are two free online resources available to students and families:

1. Problemo Student; with general problem solving questions to explore: <https://app.problemo.edu.au/student>
2. AMT competition student practice portal; to help students become familiar with the competition format: [https://competitions.amt.edu.au/index.php?action=user\\_competitions](https://competitions.amt.edu.au/index.php?action=user_competitions)

Both websites include demonstration videos and solutions and are a great space for any student interested in developing flexible problem solving skills!

If you have any questions regarding the competition you can contact me through Class Dojo or via email:

At Holy Eucharist School, we are honoured to acknowledge the Traditional Custodians of the land, the Wurundjeri People of the Kulin Nation, the first and enduring caretakers of the land in which we work and live.

We pay our respects to the Traditional Elders, both past and present, who have walked this country for countless generations.

We value the diversity of Aboriginal and Torres Strait Islander cultural heritages and recognise the impacts of colonisation and pledge our ongoing commitment to reconciliation.
